A Great Mistake.

A record discovery is that headache, dizzlness, dillness, confusion of the mind, etc., are due to derangement of the nerve centers which supply the brain with nerve force; that indigestion, dyspensia, neuralgia, wind in stomach, etc., arise from the derangement of the nerve centers supplying these or-

ment of the nerve centers supplying these organs with nerve fluid or force. This is likewise true of many diseases of the heart and lungs. The nerve system is like a telegraph system, as will be seen by the accompanying rut. The little white lines a re the nerves which convey the nerve force from the convey the nerve force from the conveyed along the telegraph wires to every part of the bledy, just as the electric current is conveyed along the telegraph wires to every physicians fail to regard this fact; instead of treating the nerve conters arising therefrom they treat the arising therefrom they treat the part affected. Franklin Miles, M. D., LL. B., the

specialist and

student of nervous diseases, and author of many noted treatises on the latter subject, long since realised the truth of the first st tement, and his Restorative Nervine is prepared on that principle. Its success if curing all diseases arising from derangent int of the nervous system is wonderful, as the thousands of unsoliched testimonists in possession of the company manufacturing the remedy amply prove.

Dr. Miles' Restorative Nervine is a reliable remedy for all nervous diseases, such as headache, nervous debility, prostration, sleeplessass, d'ziness hysteria, sexual debility, St. Vitus dance, epilepsy, etc. It is sold by all druggists on a positive guarantee, or sent direct by the Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, 11 per bottle, six bottles for 26, express prepaid.

Restorative Nervine positively contains no opiates or dangerous drugs.
